The payment amounts shown above are representative examples. The payment may not be equal to your minimum payment. The minimum payment due shown reflects the amount due if your previous balance is zero. If your previous balance is not zero, or includes an Equal Payment or Low Payment Credit Plan, see your Credit Card Agreement for additional information regarding the minimum payment due. The total minimum payment due on your account will not be less than \$25.00. The estimated monthly payment shown was calculated using the following assumptions: payments are made each period; no debt cancellation or suspension agreement applies to the Account; no taxes or ancillary charges are or will be added to the Account; goods or services are delivered on a single date; you are not currently and will not become delinquent on the Account; and purchase will be paid in full before the end of the promotional period. Purchase must be made using the iComfort Credit Card. Subject to credit approval.
